

JOHN C. RAMIREZ has 15 years of experience in providing valuation consulting and economic advisory services. He is a vice president and the director of the property tax valuation services at Willamette Management Associates. He manages a national property tax valuation practice from the firm's Portland, Oregon office. John's practice is focused on assisting taxpayers, taxing authorities, and their advisers on issues related to unit valuations, the identification and valuation of intangible assets, functional and economic obsolescence analyses, and capitalization rate studies.

John is an accredited senior appraiser (ASA) of the American Society of Appraisers, accredited in business valuation.

John has authored numerous journal articles on topics related to property tax valuation, intangible asset valuation, and business valuation. These articles have appeared in such journals as the *Journal of Property Tax Assessment & Administration*, *Journal of Multistate Taxation*, *Valuation Strategies*, and *Insights*.
