

**GREG WOOD, CPA** is a Senior Manager at Ryan, LLC in their Raleigh and Atlanta offices. He specializes in providing complex State property tax analysis in unitary valuations and Public Service Companies including power companies, pipelines, communication, airlines, railroads, tower companies, motor freight and green power projects for solar, windfarms and hydro nationwide.

He also provides appeal analysis for audits, real/personal property local assessments for industrial/commercial properties including data centers, pharmaceutical, computer/software companies, industrial manufacturing, hotels, and all other locally assessed properties. Reviews of economic incentives and exemption applications.

He has appeared before numerous state and local taxing jurisdictions for appeal hearings. Mr. Wood has more than 35 years' experience in state and local taxes. Prior to joining Ryan, he previously held positions as Manager of State Assessed Properties - NCDOR, the Appraisal/Collection Manager with Wake County (Raleigh) NC, and audit positions relating to Corporate/Franchise/Sales/Withholding/License Tax, and Applications Analyst with the NCDOR

Mr. Wood has been a speaker for many organizations, some of which include: IPT – Institute for Professionals in Taxation, IAAO - Public Utility Seminars, NCUVS - National Conference on Unit Valuation States, SASPTA - Southern Association of State Property Tax Administrators, and the NCACPA - NC Association of Certified Public Accountants.

He is a NC Certified Public Accountant and received Bachelor of Art degree(s) in Accounting, Economics and Business Management from North Carolina State University.
