“Learned good techniques to use in my work AND family life. The tools apply well in both situations.”
- Scott Dickmeyer, FlightSafety Int

“I appreciate the culture of learning that CMD provides. The opportunity to learn from the excellent instructors, and also from my peers, is something I greatly enjoy. Networking with others in my class is a wonderful way to put my experiences into perspective. I often realize our challenges are more universal than we think.”
- Christina Dew, INTRUST Bank
