

Mini MBA Certificate Program Overall Evaluation

Fall 2019

OVERALL EVALUATION

Why did you enroll in the Mini MBA Certificate Program?

- To acquire a baseline familiarity with business terms, information, and topics.
- Continue my education.
- To gain insight on day to day issues in business.
- My manager gave me the opportunity and I grabbed at the chance.
- To build a stronger business foundation as I lead in a new roll at work.
- Gain an insight to educational opportunities to help prepare my new role.
- I am going into a management roll in March, and want to be prepared.
- Exposure to topics and theories of the MBA program.
- I enrolled to further my knowledge and business skills.
- I am looking to move into management and thought this would be a great stepping stone. I've also heard great things about the class.
- Feeling stuck in my role, looking for help and motivation to get out and back on track.
- Better my big picture understanding of the credit unions.

Did the program meet your expectations? 13 yes 1 no

How?

- Good overview of MBA expectations.
- Opened my thinking to other perspectives.
- It gave a taste of everything that was important to me.
- Provided me with foundational materials to encourage me to pursue additional education.
- Learned new strategies and management practices.
- I am a very small company and I felt like this program was aimed for personnel from bigger companies.
- I feel I have a broad understanding of many topics and enough knowledge to gain further information where needed.
- The instructors presented and showed us valuable information relating to our business lives.
- Excellent instructors and perspectives.
- Overall very good. So much information in such a short amount of time. Created lots of sparks.
- Good cross-section understanding of all aspects.

Will you recommend the Mini MBA Program to others? 14 yes 0 no

Why?

- It fits time needs, instructors were great!
- This is good if they want to learn more about leadership.
- Good foundation information.
- This course offers a good variety of subjects that will help anyone who attends.
- The few classes that I could pull info from were very informative.
- Great teachers that have interesting knowledge.
- We received valuable knowledge and collaboration that we can take back to our careers.
- The teachers were awesome. Really enjoyed Brian Rawson and Dr. Graham.
- Good place to start. Help introduce what topics would be most beneficial.

How have you benefited from the Mini MBA Program?

- It's really made me take time to pause and think about what could be improved within my own organization.
- Using my day to day work scenarios in class, which offers new perspective.
- Better ideas on change management and strategies.
- Personal leadership growth and strengthening of weak areas in finance.
- Learned some new strategies and extended networking.
- The networking with all these professionals is amazing. I've learned so much from all the different people in this class.
- Started having discussion at work and we have started to implement additional measures regarding security.
- I have been able to take concepts back to work to support and implement during my interactions with colleagues.
- Created good thought provoking communication on what I can do to be better.

Do you have a comment about our program that you would like to share with us?

- Session 1, 6, 7, 9 and 10 were most impactful and interesting to me. Financial session was way too condensed consider a stand-alone financial certificate program.
- I enjoyed the classes.
- The mini-MBA will help develop the leadership skills you need in business. It will also help you further identify areas to direct future learning to grow your skills.
- It would be nice to see a mini + class - the next level.
- Everyone was very nice and very accommodating, very professional and very well organized.
