## WHO SHOULD ATTEND?

**LEADERSHIP ELITE** is designed for experienced managers and leaders who want to sharpen their existing skills, discover new solutions to age-old problems, or who want a jolt of fresh enthusiasm at this point in their careers.

## THE HIGHLIGHTS

**LEADERSHIP ELITE** is an exclusive and rich learning experience that utilizes Dr. Graham’s latest book, ***HIGH PERFORMANCE Leadership Practices: How to Increase Performance while Reducing Stress***, based on 50 years of consulting experience.

The recommended leadership practices in this workshop are based on lessons learned in Dr. Graham’s five decades of leading, teaching, researching, writing and consulting.

You will take away knowledge of what effective leaders do, how they approach difficulties, and how they inspire others. Most importantly, you’ll understand an effective leader’s attitude and relationships with team members. Whether you’ve just landed a leadership role in your company or have been a leader for years, adopting these practices will make you a more effective leader and increase your team’s performance with less stress.
