PROFESSIONALS NEED IN-DEPTH KNOWLEDGE and problem-solving skills to make strategic business decisions that deliver results.

The Mini MBA® provides a practical foundation in current business theory and practices in an intensive, 10-week format. Through case studies, lecture and interactive class sessions, you will obtain the knowledge you need to succeed within your organization.

Although “mini” learning experiences do not replace the depth of degree courses, they can offer a concise and dynamic approach, which rapidly prepares you to handle new scenarios as a leader.

Are you ready to take your career to the next level?
